PEB3LE

Powerful, easy-to-use and cost-effective, the **Pebble** color printer personalizes and encodes all your plastic cards: identification, security, loyalty and leisure badges.
The **Pebble** prints your high resolution texts, logos, pictures, signatures and barcodes in a few seconds. It also offers optional magnetic encoding, smart card encoding and contactless card personalization.

Powerful and reliable, the **Pebble** is designed to answer all needs, from small card series to printing in volume.

The **Pebble** is a turnkey solution. Delivered as standard with user-friendly software for badge personalization and drivers for Windows™ or Mac OS X, it is as easy-to-use as a classical office printer.

The **Pebble** comes in three colors: Lagoon, Ruby and Glacier. Its Hi-Tech design, compactness and ergonomics allow it to integrate any reception or office desk.

With an excellent quality/price ratio, the **Pebble** is **the referent single-sided color printer on the market**.

Print mode
- Color dye sublimation and monochrome thermal transfer
- Edge-to-edge printing standard
